Product overview: Fluke C50 Meter Case

The Fluke C50 Soft Carrying Case features a rugged exterior to keep your tools safe and organized. The interior offers a separate nylon pocket for storing your accessories together with the tool. With belt loop on the exterior so you can hook the bag onto your belt and take measurements without worrying about carrying additional tools. It is the perfect carrying case for the 113, 114, 115, 116, 117 digital multimeters and 5X series IR Thermometers.
